To the Shareholders

Dear Sirs,

PROPOSED CAPITAL REORGANISATION AND CANCELLATION OF ALL OUTSTANDING SHARE OPTIONS GRANTED BUT NOT EXERCISED

INTRODUCTION

The purpose of this circular is to provide you with information in respect of the ordinary and special resolutions to be proposed at the SGM for the approval of (i) the Proposed Capital Reorganisation; (ii) the cancellation of all outstanding Share Options granted but not exercised; and also a notice of the SGM.

1. PROPOSED CAPITAL REORGANISATION

It is proposed that:-

- (i) Issued Capital Reduction — the nominal value of all the issued Existing Shares be reduced from HK\$0.50 each to HK\$0.10 each by cancelling HK\$0.40 paid up on each issued Existing Share by way of a reduction of capital;

* For identification purpose only

LETTER FROM THE BOARD

- (ii) Authorised Capital Reduction — the nominal value of all shares in the authorised share capital of the Company be also reduced from HK\$0.50 each to HK\$0.10 each, resulting in the reduction of the authorised share capital from HK\$3,000,000,000 to HK\$600,000,000 divided into 6,000,000,000 shares of HK\$0.10 each; and
- (iii) Authorised Capital Increase — upon the Issued Capital Reduction and the Authorised Capital Reduction becoming effective, the authorised share capital of the Company be increased from HK\$600,000,000 divided into 6,000,000,000 shares of HK\$0.10 each to HK\$20,000,000,000 divided into 200,000,000,000 shares of HK\$0.10 each by the creation of 194,000,000,000 new shares of HK\$0.10 each;
- (iv) Set-off against Accumulated Losses — the credit arising from such reduction will be applied towards cancelling the accumulated losses of the Company with the balance (if any) to be transferred to the distributable capital reserve account of the Company in accordance with the bye-laws of the Company.

The Capital Reorganisation (which will be effected in accordance with the bye-laws of the Company and the Companies Act) is conditional upon:-

- (i) the passing of a special resolution to approve the Capital Reorganisation by Shareholders at the SGM;
- (ii) the compliance with the relevant legal procedures and requirements under the Companies Act to effect the Capital Reorganisation; and
- (iii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Adjusted Shares in issue upon the Capital Reorganisation becoming effective.

No shareholder is required to abstain from voting on the Capital Reorganisation at the SGM.

Save for the Share Options to subscribe for 12,056,800 Existing Shares which are outstanding under the Share Option Scheme, there are no warrants or other securities convertible into or giving rights to subscribe for the Existing Shares.

Application will be made by the Company to the Listing Committee of the Stock Exchange for listing of, and permission to deal in, the Adjusted Shares and any Adjusted Shares which may be issued pursuant to the exercise of options that may be granted under the share option scheme of the Company adopted 21 June 2002.

The share capital of the Company consists of 464,737,960 Existing Shares in issue and the aggregate nominal value of the issued share capital of the Company is approximately HK\$232.4 million. On the basis of 464,737,960 Existing Shares in issue as at the date of this announcement (assuming no Existing Shares are issued from the date hereof until the effective date of the Capital Reorganisation), a total credit of approximately HK\$ 185.9 million will arise in the books of the Company as a result of the Adjustment Proposal which will be applied as mentioned in the following paragraph.

LETTER FROM THE BOARD

After the Issued Capital Reduction and the Authorised Capital Reduction, the authorised share capital of the Company be reduced from HK\$3,000,000,000 to HK\$600,000,000 divided into of 6,000,000,000 Adjusted Shares of HK\$0.10 each, of which approximately 464,737,960 Adjusted Shares will be in issue and the aggregate nominal value of the issued share capital of the Company will become HK\$46,473,796 (assuming no Existing Shares are issued from the date hereof until the effective date of the Capital Reorganisation). Assuming the Capital Reorganisation is implemented, subject to any applicable laws and regulations and any restrictions contained in the bye-laws of the Company, the total credit arising from the Adjustment Proposal will be used to set off any accumulated losses of the Company at the relevant time with the balance (if any) to be transferred to the distributable capital reserve account of the Company. As at 31 December 2007, the accumulated losses of the Company were HK\$164,895,000.

Proposed Increase in Authorised Share Capital

In order to provided the Group with flexibility in its future expansion and growth by means of issuing new Shares and fund-raising activities as the Directors may consider appropriate from time to time, the Directors proposed to increase the authorised share capital of the Company to HK\$20,000,000,000 divided into 200,000,000,000 shares of HK\$0.10 each by the creation of 194,000,000,000 new shares of HK\$0.10 each. The increase in authorised share capital of the Company is conditional upon the passing of an ordinary resolution by the Shareholders at the SGM and no Shareholders are required to abstain from voting for such resolution.

Effect of the Capital Reorganisation

Other than the relevant expenses incurred, the implementation of the Capital Reorganisation will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business, operations, management or financial position of the Company or the interest of the Shareholders as a whole. The Directors believe that the Capital Reorganisation will not have any material adverse effect on the financial position of the Group.

The Adjusted Shares will rank *pari passu* in all respects with each other and the Capital Reorganisation will not result in any change in the relative rights of the Shareholders.

Free exchange of Adjusted Share certificates and trading arrangements

Subject to the Capital Reorganisation, Shareholders may, during a period to be specified in a further announcement to be made by the Company, submit certificates for Existing Shares to the Company's registrar for exchange, at the expense of the Company, for certificates for Adjusted Shares. Thereafter, certificates for Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be allowed by the Stock Exchange) for each new certificate issued for Adjusted Shares. Nevertheless, certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for certificates for Adjusted Shares at any time at the expense of the Shareholders in question.

LETTER FROM THE BOARD

Reasons

The Existing Shares of the Company has been trading at a price below its nominal value of HK\$0.50 each since 18 August, 2008. Under the Companies Act, it is not permissible for a Bermuda company to issue shares at a discount to the nominal value of its shares, unless in compliance with Companies Act, which includes, inter alia, requirements to obtain authorisation of members of the Company. Given the current trading prices, the Company is unable to conduct any fund raising activity. In addition, due to the expected time lag needed to effect a Capital Reorganisation, the Company proposes to effect the Capital Reorganisation as soon as practicable to provide it with flexibility to effect fund raising exercises as and when opportunities arise to provide funding for the Company to expand its current businesses including energy, recycling and logistics services and/or to explore other investment opportunities.

2. CANCELLATION OF SHARE OPTIONS

Pursuant to a written resolution of the sole shareholder passed on 21 June 2002, the Share Option Scheme was set up for the primary purpose of providing incentives to directors and eligible employees, and which will expire on 20 June 2012. Based on the terms and conditions of the Share Option Scheme, there are provisions governing cancellation of the outstanding Share Options granted.

The Share Options

As at the Latest Practicable Date, the total outstanding Share Options granted but not exercised are 12,056,800. The said outstanding Share Options represent approximately 2.59% of the existing issued share capital of 464,737,960 Shares and approximately 2.53% of the enlarged issued share capital of 476,794,760 Shares if all outstanding Share Options are exercised.

Details of the outstanding Share Options granted but not yet exercised are set out below :

LETTER FROM THE BOARD

Reasons for Cancellation and effect on the Company

The purpose of the Share Option Scheme is to provide incentives or rewards to the Option Holders for their contribution to the Group and to enable the Group to recruit and retain high-calibre employees. As the exercised prices of the Share Options are comparatively high when compared with the recent market prices of the Shares, which deters the Option Holders from exercising the Share Options to subscribe for the Shares of the Company, the Directors consider that it will be in the interest of the Company as well as the Option Holders to cancel all the outstanding Share Options granted but not exercised.

The relevant Option Holders whose Shares Options have been cancelled shall not be entitled to any compensation or any consequential loss as a result of such cancellation. Therefore, there will not be any adverse financial effect as a result of the cancellation of the outstanding Share Options granted but not exercised.

Approval by the Shareholders

Pursuant to the provisions governing cancellation of the Share Options, cancellation of the Share Options granted but not exercised must be approved by the Shareholders, by way of poll, with the Option Holders and their associates abstaining from voting.

Option Holders that have exercised part of the Share Options granted to become Shareholders and who continue to be the Option Holders at the date of the SGM, together with their associates, will be abstained from voting at the SGM. As at the Latest Practicable Date, 80,000 Share Options had been exercised, representing approximately 0.017% of the existing issued share capital of 464,737,960 Shares.

In the event that the cancellation of all the outstanding Share Options granted but not exercised is not approved by the Shareholders, all the outstanding Share Options shall remain valid and exercisable at the exercise prices, subject to adjustment.

GENERAL

The principal activity of the Company is investment holding. The Group is principally engaged in the logistics, energy and recycling business.

LETTER FROM THE BOARD

Completion and return of the form of proxy will not preclude you from attending and voting in person at the SGM or any adjournment thereof should you so wish.

Pursuant to clause 66 of the Bye-laws, every resolution put to vote at a general meeting shall be decided on a show of hands unless voting by way of a poll is required by the Listing Rules or demanded (before or upon the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll):

A demand by a person as proxy for a Shareholder or in the case of a Shareholder being a corporation by its duly authorized representative shall be deemed to be the same as a demand by a Shareholder.

Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the chairman of the meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or not, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that all the proposed resolutions in the SGM are in the interests of the Company and the Shareholders as a whole and, accordingly, the Directors recommend all Shareholders to vote in favour of all the resolutions to be proposed at the SGM in respect thereof.
