The following is an explanatory statement required by the Stock Exchange to be presented to Shareholders concerning the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASES OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the important of which are summarized below:

(a) Shareholders' approval

All proposed purchase of securities on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by its shareholders by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of its issued share capital at the date of the passing of the proposed resolution granting the Repurchase Mandate.

As at the Latest Practicable Date, the Company has 1,232,416,960 Shares in issue. Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the AGM, the exercise of the Repurchase Mandate in full would result in up to 123,241,696 Shares being repurchased by the Company during the period from the date of passing of the relevant resolution to the next annual general meeting of the Company or the date upon which the Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

(c) Reason for repurchase

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase securities of the Company on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

(d) Funding of repurchase

The Directors propose that repurchases of Shares under the Repurchase Mandate in these circumstances would be financed from the Company's internal resources or existing banking facilities which will be funds legally available for such purposes in accordance with the Memorandum of Association and Bye-law and the laws of Bermuda. Under Bermuda law,

repurchases may only be effected out of the capital paid up on the purchased Shares or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased.

As compared with the financial position of the Company as at 31 December 2009 (being date of its latest audited accounts), the Directors consider that there would not be a material adverse impact on the working capital or gearing position of the Company if the Repurchase Mandate is to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

(e) Connected parties

None of the Directors nor, to the best knowledge of the Directors having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) has any present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders. As at the Latest Practicable Date, no connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

(f) Undertaking by Directors

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Bermuda.

(g) Takeovers Code

If as a result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the repurchasing company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Hong Kong Code on Takeovers and Mergers (the "Takeovers Code"). As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Orient Day Developments Limited ("Orient Day"), being the only substantial shareholder of the Company, held 517,084,800 Shares representing approximately 41.96% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholding of Orient Day

in the Company would be increased to approximately 46.62% of the issued share capital of the Company. Such increase would not result in the aggregate amount of the share capital in the public hands being reduced to less than 25% but would give rise to an obligation on the part of Orient Day and parties acting in concert (as defined under the Takeovers Code) with it to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. Save as disclosed, the Directors are not aware of any consequence which would arise under the Takeovers Code as a result of any repurchase pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in (i) any obligation to make a mandatory offer under the Takeovers Code or (ii) the number of Shares in public hands falling below the prescribed minimum percentage of 25%.

2. SHARE PURCHASE MADE BY THE COMPANY

From April 2009 to the Latest Practicable Date, which is the previous twelve months preceding the date of this circular, no Shares have been repurchased by the Company.

3. SHARE PRICES

During each of the previous twelve months, the highest and lowest prices at which the Shares have been traded on the Stock Exchange were as follows:

Month	Per Share	
	Highest (HK\$)	Lowest (HK\$)
2009		
April	0.51	0.23
May	0.50	0.38
June	0.75	0.45

August	0.67	0.48
September	0.68	0.52
October	0.63	0.53

2010

NOTICE OF ANNUAL GENERAL MEETING

Notes:

1. Any member of the Company entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend and vote instead of him. A proxy need not be a member of the Company.
2. A form of proxy for use at the meeting is enclosed. To be valid, the form of proxy, together with the notarially certified power of attorney or other authority (if any) under which it is signed must be lodged at the Company's branch share registrar, Tricor Tengis Limited, at 26th Floor, Tesbury Centre, 28 Queen's Road East, Hong Kong as soon as possible and in any event, not less than 48 hours before the time appointed for holding of the meeting or any adjournment thereof.
3. Where there are joint holders of any share, any one of such holders may vote at the meeting, either in person or by proxy, in respect of such shares as if he were solely entitled to vote, but if more than one of such joint holders be present at the meeting in person or by proxy, the person so present whose name stands first in the register of member of the Company in respect of such share shall alone be entitled to vote in respect of it.
4. Completion and return of the form of proxy will not preclude a member from attending the meeting and voting in person at the meeting or any adjourned meeting if he so desires. If a member attends the meeting after having deposited the form of proxy, his form of proxy will be deemed to have been revoked.
5. The votes to be taken at the meeting for the resolution will be by way of poll.
